

Norman Levine

Present Position:

Counselor

Last Held Business Position:

President and CEO, glass products company

Career Summary:

Started glass products company with very little money in 1964. Built it to ten million in sales, selling, designing, value added machined glass products nationally and internationally. Became one of the world's experts in the glass processing business, in product design, tool design, heat treating, bending of glass, grinding/machining of glass, glass laminating, slumping, embossing. When I sold the company to a very large international flat glass manufacturer in 2005, I had almost 80 full time employees, plus a sales staff.

Education:

6 years, part time, with courses in design engineering, chemistry, accounting, marketing, management, and advertising

Professional Societies:

National Glass Dealers Association NGA
AIA Architects Association
ASID Interior Design Association
International Machinery Design Assn. GMAV

Honors & Awards:

Twice named Businessman of the Year by State of Michigan
Businessman of the Year, County
President, Optimist International
